**Instructions**

**Eligibility Requirements**

A partial exemption is provided to qualified Iowa residents receiving pensions, annuities, self-employed retirement benefits, deferred compensation, IRA distribution, or other retirement benefits. To qualify you must be 55 years of age or older, disabled or a surviving spouse or other survivor of an individual who would have qualified for the exclusion in the tax year. To be considered disabled you must be receiving the retirement income on the basis of a documented disability or you must meet federal or state criteria for disability. **Social Security benefits are not covered by this exemption.** Federal Civil Service annuitants who want Iowa tax withheld from federal pensions should call the Office of Personnel Management toll-free at 1-888-767-6738 or e-mail retire@opm.gov.

**Withholding Choices**

An Iowa resident may choose to have Iowa tax withheld on the annual taxable amount, exempting \$6,000. Married taxpayers may exclude up to \$12,000 from the annual taxable amount. **Only the pension income of the spouse who meets the eligibility requirements can be excluded.** If no choice is made, you will automatically be given a \$6,000 exemption. If you are receiving retirement income from more than one source, you are still entitled to claim only a maximum \$6,000/\$12,000 exemption.

**Low Income Exemption From Tax**

**Taxpayers 65 years of age or older:** You are exempt if (1) You are single and your income is \$24,000 or less, or (2) Your filing status is other than single and the total income of both spouses is \$32,000 or less. *Note:* The amount of any pension exclusion and any Social Security Phase-out exclusion must be added back to income for purposes of determining the low income exemption. Only one spouse must be 65 or older to qualify for the exemption.

**Taxpayers under 65:** You are exempt if (1) Your net income is less than \$5,000 and you are claimed as a dependent on another person's Iowa return; or (2) You are single and your net income is \$9,000 or less and you are not claimed as a dependent on another person's Iowa return; or (3) Your filing status is other than single and your combined net income is \$13,500 or less.

**Claiming No Exemption**

If this box is checked, Iowa income tax will be withheld on the entire amount of taxable benefits received.

**Withholding Rates**

Payers have the option of withholding at the rate of 5% or using the published withholding formulas or withholding tables.
